PROGRAM APPROACH

About The Course

1
2
3

Content Creation of the Course

We commence content creation and test series development with NCERTs, followed by consultation of standard textbooks, reference materials, research papers, and journals.

Approach of the Course

Syllabus and Previous year questions are the Key!
Hence, Our content is tailored while considering two Parameters: UPSC Syllabus and Previous year question papers.

1

Faculty of the Course

The Foundation course for Psychology Optional for UPSC is designed, crafted and led by Sanket Sir, who is the main faculty of the course.

2

3

Implementation of the Course

Throughout the course, you'll learn how to incorporate current affairs into Paper 2, apply concepts from Paper 1 to Paper 2, utilize tools like tables, charts, and case studies, and implement other crucial elements of psychology into your answers.

4
